Become a Foster or Adoptive Parent

New Ambassador Program!

Who could be better to recruit new families than current foster and adoptive parents (Resource Parents)? We don't think there is anyone better to bring in new families. That's why we have enlisted the help of approximately 30 Resource Parents who will be getting \$250 for every new family that they recruit that gets approved.

We are so excited about this program and cannot wait for them to begin training and start working. Once we get the program off the ground and see the success, we are hoping to add on even more Resource Parents.

Some of our Ambassadors will be reaching out to families at their PTA meeting, church, and soccer games while others will be staffing our booths at various community outreach events educating people about the great need for both temporary and permanent homes. Welcome to our first group of Ambassadors. We hope this will be a long and fruitful partnership!

Aquarium Of Pacific Host the Heart Gallery LA

Tell your friends to come and see our wonderful Heart Gallery display at the Aquarium of the Pacific on April 30, 2011 at 11:00 AM.

Wanted: Homes for Infants and Toddlers

Remember how it felt to hold an infant in your arms; singing away the tears and hearing the sweet cooing of a happy baby? If that brings a smile to your face, then we need you! Whether you're a stay at home mom, a grandma (or waiting to be one), or just love babies and want to make a difference, consider being a foster parent and providing temporary care for an infant or toddler while their parents work on getting their lives on track.

If you've been thinking about becoming a foster parent, don't put it off any longer! We will walk you through the process, which is easier than ever before. Contact Ivonne Crescioni at (626) 229-3769 for more information or to sign up for an Orientation in your area, call (888) 811-1121.
